State Soccer Challenge

Date and Time TBD

Council Challenges should be held in September

District/Regional should be held by mid October

The Soccer Challenge is a great way for councils to engage in their communities with an athletic event for youth that encourages the values of sportsmanship and healthy competition. Children demonstrate the most important skill in soccer – shooting accuracy on the penalty kick – and compete to reach the international level of competition. The program is also a way to introduce the Order to your community and recruit faithful family men of service.

Coats for Kids Initiative

Charitable Program

Coats for Kids is a charitable program that provides warm winter coats to children in need through community donations.

Ensures Warmth

The program ensures that every child stays warm during the winter by providing essential clothing.

The State is running the BOGO program again this year. The deadline to order form is September 15, 2025. The order is available on the State Website at www.kofcnc.org

As we learned last year with Hurricane Helene, it is important that we are prepared when disaster strikes.

Disaster Preparedness

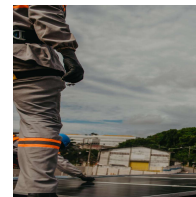

Create an Emergency Kit

Prepare an emergency kit with essentials like water, food, medical supplies, and other necessary items to ensure safety during a disaster.

Develop a Communication Plan

Ensure your family stays connected during an emergency by developing a communication plan with clear instructions and contact information.

Stay Informed and Practice

Regularly stay informed about potential risks in your area and practice evacuation routes and safety procedures with your family.
