

**Bulletin Announcement:**

*Although Roe v. Wade had been overturned in 2021 by the US Supreme Court, babies' lives in the womb are still at risk. Each State is passing laws to either restrict more abortions or allow more abortions. We must pray and work for the unborn! The United States Council of Catholic Bishops (USCCB) annual Novena for Life takes place from January 16th through January 24th, 2026. It's easy for you, as an individual parishioner, to sign up online and participate in the Novena by praying the provided prayers at home (or wherever you receive emails/texts) each day for nine days. These prayers are sent to you as an email and/or mobile text each day (in English or Spanish) to remind you and encourage you to participate. To sign up, simply follow the link <https://www.respectlife.org/9-days-signup>.*

---

*Nothing else is needed. God bless you for your support for Life!*

**Pulpit Announcement:**

*I strongly encourage all of us in our parish to pray the United States Conference of Catholic Bishops' Novena for Life, which is held this month from Friday, the 16th until the 24th. This is an individual spiritual activity done in private at home. You can sign up and pray the Novena via emails or mobile texts sent to you each day for the nine days. It only takes about 10 minutes. A link is provided in the bulletin. Our fight for the life of the unborn is not over. Please pray!*
